Re: Written Notice of Safe Harbor Pursuant to 760 CMR 56.03(3)(b) and (8)(a)
NY Ventures, LLC Comprehensive Permit Application
20 Elm Street (Rear), North Reading, MA

Dear Mr. Regnante:

Please be advised that this correspondence shall serve as written notice to NY Ventures, LLC (“NY Ventures”) from the North Reading Zoning Board of Appeals (“Board”) that on August 8, 2019, the Board opened the public hearing regarding NY Ventures’ application for a comprehensive permit for a housing development project located at 20 Elm Street (Rear). As you know, NY Ventures is proposing 200 units (25% affordable) in five identical four story buildings (the “Project”). On August 22, 2019, the Board voted 3-0 to determine, under General Laws chapter 40B, §20, 760 CMR 56.03(3)(a)&(b) and (8)(a), that the Board considers that a denial of the requested comprehensive permit or the imposition of conditions or requirements upon the requested comprehensive permit would be consistent with local needs as a matter of law.

The basis for the Board’s position is that the Board determined that Subsidized Housing Inventory (“SHI”) eligible housing exists in the Town on sites comprising one and one-half percent or more of the total land area zoned for residential, commercial, or industrial use, per General Laws chapter 40B, §20, 760 CMR 56.03(3)(b) and (8)(a).

Additionally, based on information from DHCD, it is likely that additional confidential group home units exist in Town. Additionally, two rent-controlled mobile home parks, consisting of 42 units were not included on the current SHI inventory from the Department of Housing and Community Development (“DHCD”). The addition 42 units plus the likely increase in confidential group home units will demonstrate that Subsidized Housing Inventory eligible housing exists in the Town at an amount over 10.00%, per General Laws chapter 40B, §20, 760 CMR 56.03(3)(a) and (8)(a).

The current SHI inventory from the Department of Housing and Community Development (“DHCD”) indicates that 9.61% of the Town's housing units are “affordable” as defined by G.L. c. 40B and 760 CMR 56.00 with 49 of these units being listed as “DDS Group Homes” with the addresses listed as “Confidential”. A copy of the SHI Inventory is enclosed as **Exhibit A**. Due to the high number of affordable housing projects in Town, the Town undertook calculations to determine if the Town has reached the one and one-half percent land area minimum set forth in General Laws chapter 40B, §20. The Board requested information from DHCD regarding the Department of Developmental Services (“DDS”) and the Department of Mental Health (“DMH”) group homes, for the purpose of calculating the one and one-half percent minimum land area requirement. According to information received by DHCD the Group Homes Acreage Calculation for North Reading is 59.14 acres. A copy of the correspondence from DHCD is enclosed as **Exhibit B**. With the addition of 59.14 acres, there is 1.55% of SHI eligible housing existing in the Town on sites comprising one and one-half percent or more of the total land area zoned for residential, commercial, or industrial use, per General Laws chapter 40B, §20, 760 CMR 56.03(3)(b) and (8)(a). Please see the Town’s calculations enclosed as **Exhibit C**. Additionally, it should be noted that the Town’s calculations are preliminary, and were designed to be as conservative as possible, both as to total land area and affordable land area. As a result, the Town and the Board expressly reserve all of their rights in this regard, including the right to present additional evidence, testimony, argument, analysis, exhibits, calculations and any and all other information of any kind to support a finding regarding the one and one-half percent minimum land area requirement and nothing in the calculations or the Board’s determination should be construed as a waiver of any of the Town or the Board’s rights in this regard.¹

Through building permit applications and physical inspections, the Assessor’s office has determined that there are currently 49 units from group homes with a total acreage of 13.1261. However, DHCD has determined that there are 59.14 acres comprised of group homes. Therefore, there must be additional units that are unknown to the Town. Due to this discrepancy and pursuant to the decision in City of Waltham v. Department of Housing and Community Development, Middlesex Superior Court, C.A. No. 16-1177-H (February 14, 2017), the Board is entitled to additional information on the Department of Developmental Services (“DDS”) and the Department of Mental Health (“DMH”) group homes regarding SHI-eligible units within the Town (subject to certain privacy protections). Additionally, two mobile home parks in Town, consisting of a total of 42 units are rent-controlled and subject to the Town’s General Bylaw, Chapter 116, Mobile Homes and Chapter 561 of the Acts of 1989 - an Act Providing for the Establishment and Administration of Rent Regulations and the Control of Evictions in Mobile Home Park Accommodations in the Town of North Reading. These 42 units should also be listed on the SHI which will increase the Town’s affordable housing units to 10.36%. Therefore, the Town and the Board expressly reserve all of their rights in this regard, including the right to present additional evidence, testimony, argument, analysis, exhibits, calculations and any and all other information of any kind to support the Town and the Board’s finding that the Town has reached the 10% housing unit minimum.

¹ The Town and Board also reserve their rights regarding the applicability of the General Land Area Minimum (“GLAM”) Guidelines as the GLAM Guidelines were not properly promulgated under the Administrative Procedures Act.

Further, the Board “may at its sole discretion elect to proceed with the full local hearing, and ultimately to approve a Comprehensive Permit, even though … [the safe harbor has been achieved]” … and, under 760 CMR 56.03(8), the Board may elect to deny or to impose conditions upon the issuance of any such permit and no appeal from any such decision will lie. On August 22, 2019 the Board voted 3-0 to elect to proceed with the full local hearing, with the Board having the right to deny the Application or to grant the Application with conditions, and with the Applicant having no right of appeal to the Housing Appeals Committee from the Board’s decision.

This written notice was forwarded to the Applicant and to DHCD on August 23, 2019, within 15 days of the August 8, 2019 opening of the public hearing on the Application and is provided to protect the Town’s rights with regard to Safe Harbor, which could be lost if notice was not provided within the fifteen (15) day period proscribed by 760 CMR 56.03(8). However, the Board intends to conduct a thorough and impartial review of the Project.

Very truly yours,

James Demetri,
North Reading Zoning Board of Appeals

Subject: RE: Group Homes Acreage Calculation request - North Reading - SHI Site Submission List Attached

Dear Mr. Lutterman,

In response to your request below, the Group Homes Acreage Calculation for North Reading is **59.14** acres.

We were pleased to be able to obtain the information requested on an expedited basis in response to your current request. Please note, for future reference, that DHCD's General Land Area Minimum Guidelines (see section VI, step 1.3) call for municipalities to submit their SHI Sites Submission List to DHCD, DMH and DDS within 21 days from receipt of a copy of the PEL application, as well as 7 days following the Comprehensive Permit application, to afford the Commonwealth sufficient time to complete the acreage calculation. The reason for that deadline is that, as noted in the Guidelines, the process of address matching, de-duplication and acreage calculation involves multiple government agencies and can take over 30 days.
